General Conditions

Commercial Use Authorizations

1. The permittee is responsible for complying with all applicable regulations, including the Superintendent’s Compendium for each park, and shall ensure that all members of the party are informed of park rules and regulations.
2. A tour guide must accompany visitors on all guided tours except for bus tours and taxi service.
3. Vehicles shall not be left idling more than three minutes, per State EPA Clean Air requirements, in parking areas or park across multiple parking spaces. Loading zones will be occupied no longer than necessary to load and unload.
4. The permittee shall be responsible for the prompt and appropriate retrieval of clients and equipment in the event of a breakdown or accident.
5. All accidents and injuries requiring medical attention must be reported to a park ranger immediately. Rangers can be contacted through the Pacific Area Communications Center 24 hour dispatch (808) 985-6170
6. Execution of services or activities by the permittee may not block traffic, pedestrian or vehicular, or otherwise interfere with visitor use of the park.
7. Possession of this CUA does not guarantee entry into the parks. Entrance into the park may be closed or restricted from time to time in response to natural (fire, drought, high SO₂) and /or national security events or for traditional cultural events. Every attempt will be made to notify permittee of these closures as soon as reasonably possible.
8. All permittee vehicles shall carry a copy of the entire Commercial Use Authorizations Permit and any addendum.
9. The permittee agrees to cooperate in surveys or vehicle tour inspections conducted by Pu‘uhonua o Hōnaunau and Kaloko-Honokōhau designed to assist in park management actions.
10. The permittee is required to submit an annual report which summarizes visitor use, no later than February 1, 2013. The Park will provide the permittee with the appropriate form.
11. Advertising for the permitted activity shall not state or imply endorsement by the National Park Service and may not depict or suggest prohibited activities.
12. It is the responsibility of the permittee to ensure that all employees are informed of the Conditions of the CUA permit.

The National Park Service

12. Penalties for non-compliance of CUA permit. (CUA Permit10-114 #8) This authorization may be terminated upon breach of any of the conditions herein or at the discretion of the park area Superintendent. However, at the Superintendent's discretion the following penalties may apply :
 - i. First violation will result in a warning letter and/or citation.
 - ii. Second violation will result in a final warning letter and/or citation and may result in suspension or revocation of the CUA permit.
 - iii. A third violation will result in revocation of the CUA permit
13. All passenger vehicles must display readily visible marking identifying the business name on both exterior sides of the vehicle. Vehicles that transport 6 or less passengers may display PUC number on the front and rear bumper; all larger vehicles must display PUC number on the side.
14. Smoking is not permitted within 25 feet of any public building. Guides and clients who smoke must not discard cigarette butts on the ground. A container must be provided for this purpose and passengers made aware of this regulation.
15. If the permittee requires that participants sign an "Acknowledgement of Risk" form, the Superintendent must approve it. A sample is available upon request. Operators may not require clients to sign a "Waiver of Liability".
16. Commercial vehicles may not be used to enter the Park as a personal vehicle, unless authorized in advance.

I have read and understand the General Conditions for Commercial Use Authorizations. Specific Conditions for each park will be attached and must also be signed. These conditions have been shared with my drivers/tour guides or any other member of my staff doing business within by Pu'uhonua o Hōnaunau and Kaloko-Honokōhau National Historical Parks.
